

## **SFALLIANCE (UK) LTD**

### **QUALITY POLICY**

It is the Policy of SF Alliance (UK) Ltd to provide our customer with an on time, fault free reliable services at a competitive cost.

To achieve this objective, it is essential that the Quality Management System be maintained to ensure its effectiveness. The procedure and practices outlined in the quality manual are there for the purpose and to satisfy the requirement of BS EN ISO 9001:2008

This policy provide a framework for establishing and reviewing quality objectives, and also includes a commitment to comply with requirements e.g. customer, satisfactory and regulatory and to continuity improve the effectiveness of the quality management system.

This QMS is to help us provide confidence to our customer and therefore the implementation and communication of the quality policy is mandatory for all our employees, this is also to ensure staff understanding, implementation and maintenance

Copies of the both the Quality Manual and the Procedures are available for customer to read at any time

We shall review this policy regularly to ensure its continued suitability and in-line with our commitment to continual improvement.
